

Uniform in Nursery and Reception

Our uniform

As an Early Years unit, our main drivers are to develop the children's independent skills, support their physical development and encourage them to manage themselves. We spend a lot of time outside, investigating our school grounds, walking in the woods or playing in the garden. The life of a 3-5 year old is busy and they need to strengthen all of their core muscles to get as ready as possible for their next phase of learning. We need the children's clothes to allow this to happen. Our uniform is:

Black tracksuit bottoms or black leggings

A red sweatshirt/cardigan or red Shield Row hoodie

For warmer weather ...

Grey or black shorts

A white polo shirt

Black velcro trainers (not plimsolls)

A red and white summer dress with mini shorts
